PRIVACY PRACTICES & ACKNOWLEDGEMENT

Open and Affordable Dental Notice of Privacy Practices is posted in the office waiting room and on our website. Hard copies are also available for all patients. In accordance with the HIPAA Privacy act, all patients are required to acknowledge receipt of the Notice of Privacy Policies. By signing this form, I acknowledge receipt of Open and Affordable Dental Office Policies and Notice of Privacy Practices. I understand that the Notice of Privacy Practices contains information on the uses and disclosures of any personal health information, and I have been given the opportunity to review the Notice. I understand that the terms of the Notice may change and that I will be given a revised notice if changes occur. I understand that I may request restrictions on the uses and disclosures of information for the purpose of treatment, payment, or dental care operations. I understand that Open and Affordable Dental is not required to agree to such requests, but that if they do agree, those restrictions are binding on Open and Affordable Dental.

AGREEMENT TO PAY FOR TREATMENT

I understand that I am responsible for payment of all dental services provided in this office (whether or not insurance or third party payer is involved) and that payment is due at the time services are rendered. If I do not pay the entire balance, or if insurance is unpaid after 60 days, a billing charge, or interest will be added to my account. The billing charge will accrue at the rate of 1.5% per month, which is an annual percentage rate of 18% (or a minimum charge of \$5.00). In case of default of payment, I agree to pay any and all costs in collecting this account, including but not limited to reasonable attorney's fees and court costs. I also understand the office policy is to require a minimum of one business day notice for all canceled/rescheduled appointments. If this is not possible, a fee of \$40.00 that is not reimbursable by insurance may be charged to my account.

AGREEMENT TO PAY FOR NON-COVERED SERVICES

I understand that I am responsible for payment of all dental services provided in this office (whether or not insurance or third party payer is involved) and that payment is due at the time those services are rendered. Should I elect to receive a non-covered procedure(s) or treatment(s) payment for that/those service(s) will ultimately be my responsibility. Non-covered services include services that are not covered by my insurance carrier, services rendered in excess of my annual maximum benefit, or services that have been denied through prior authorization.

INSURANCE

As a courtesy to our patients, we will prepare and submit your insurance forms for reimbursement. We cannot obtain payment unless you provide us with all of the necessary information as requested above. Additionally, please understand that your insurance is a contract between you/your employer and the insurance company. We cannot in any way guarantee benefits or payment from your carrier, nor can we know the specifics of every individual plan. It is your responsibility to know the terms and limitations of your insurance plan.

Please read and understand that by signing, you are agreeing to the following:

- I authorize my insurance to pay the doctor directly all insurance benefits otherwise payable to me.
- I authorize the doctor to release any information including, but not limited to, records of treatment, or examination, person identification, x-rays, medical history, etc. to my insurance company as requested.
- Any estimates given with regard to treatment fees are only rough estimates based on limited information we have about your plan.
